OVERVIEW:

PortboostApps.com is a mobile app development company now expanding into digital marketing for service-based businesses. Our goal is to provide a premium, high-quality marketing service that drives measurable results.

OFFER:

We are currently offering a prestigious, 30-day free trial to demonstrate the quality of our work. During this period, businesses can experience firsthand how we generate qualified leads ready to book their services.

"Sales and marketing is the engine that makes every company run"

• Dan Gordon, Founder

SERVICE HIGHLIGHTS

1

Lead Qualification

We pre-qualify leads to ensure clients receive only prospects who are ready to engage with their services. No tire kickers.

2

Premium, Month-to-Month Service

No long-term contracts are required. Clients pay a flat monthly fee based on the value of their services and industry.

3

Custom Pricing

Our pricing tiers start around \$700/month and scale depending on the complexity and value of the client's services. The focus is on ROI, not just monthly fees.

SERVICE HIGHLIGHTS II

4

Universal Industry Application

While our services can benefit virtually any service-based business, as we scale, we may discover specific industries where ROI is exceptionally strong and potentially niche down in the future.

5

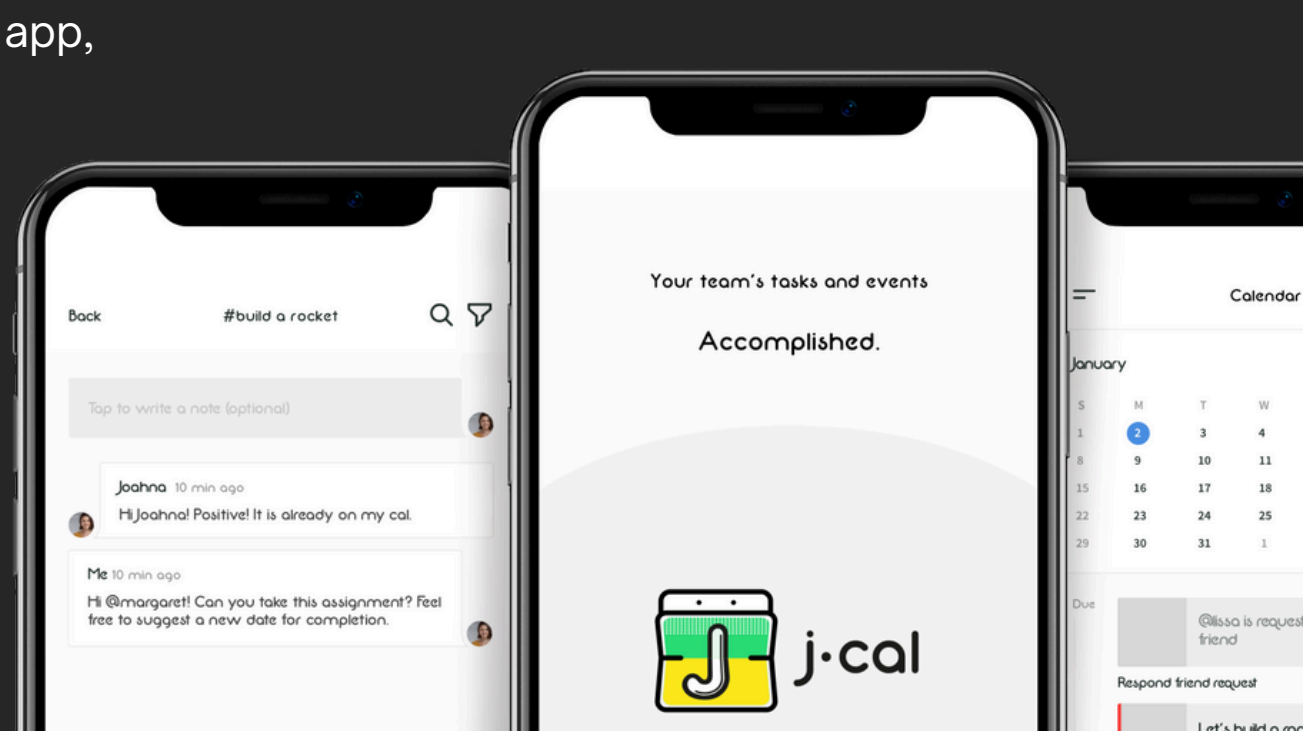

Proven Expertise

With over five years of experience in digital marketing, we have the tools, knowledge, and strategy to generate tangible results.

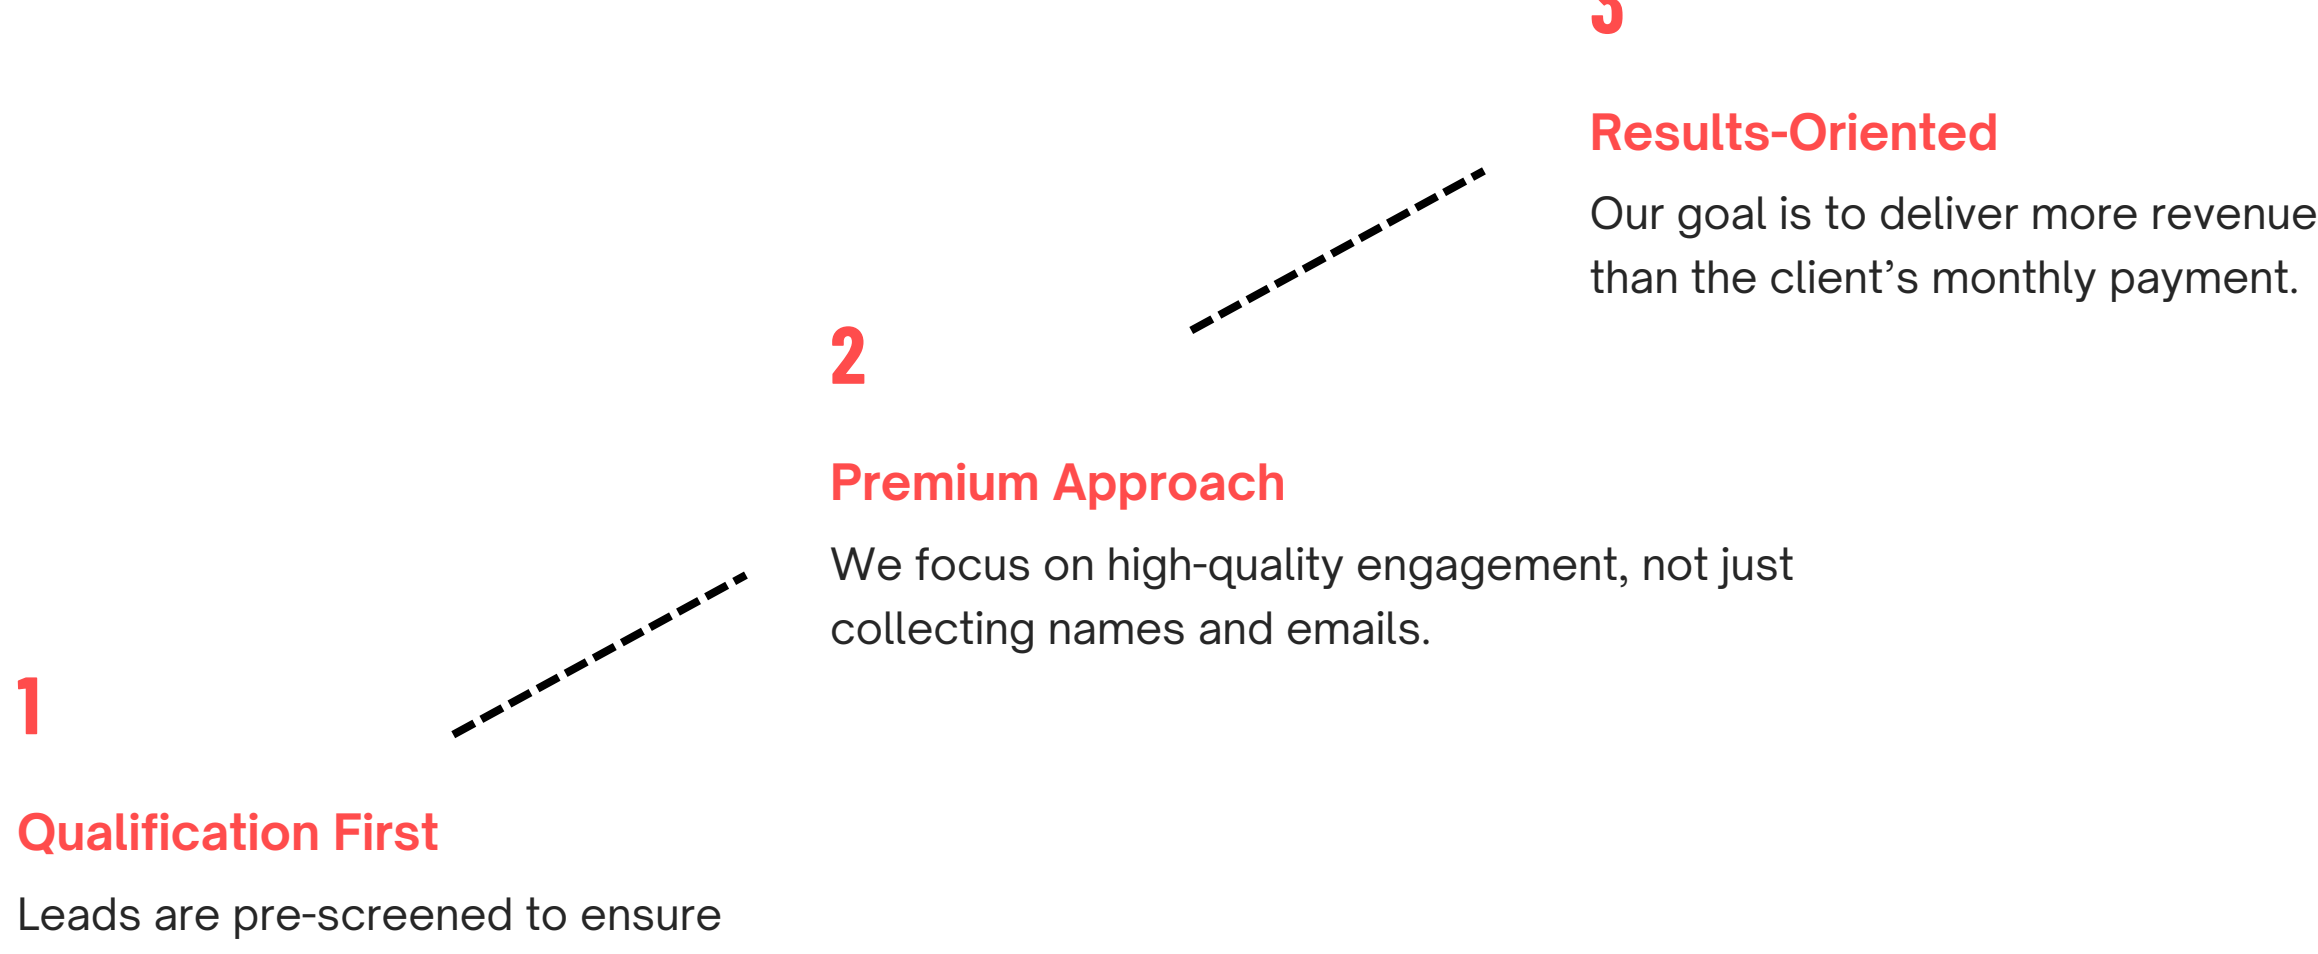

PROOF OF CONCEPT

J-Cal Pre-launch Marketing
